Hawley Senior Living has a great tradition of celebrating Syttende Mai, Norwegian Constitution Day. We made lefse, krumkake and of course rommegrot. Curt Erickson provided some great entertainment and our Norwegian residents beamed with pride! Thank you to our volunteers Deb Freed and Jackie Biewer for all your assistance. We certainly appreciate you.

Morning Glory Muffins

One morning we had fun making Morning Glory Muffins. This was a recipe Ruth Moen found in the latest Hawley Lutheran cookbook. Upon an internet search, we found that the original Morning Glory Muffin recipe was created by chef Pam McKinstry in 1978 and it was later published in Gourmet magazine in 1981 and it was named one of the magazine's top 25 favourite recipes. Needless to say these muffins were delicious!

Patriotic Paintings

Last month we learned how to do this very simple yet stunning American Flag Painting with acrylic paint on canvas. We learned how to do a forest skyline silhouette backed by a twilight sky and a dry brushed US flag illusion. Something a little different than what we've done in the past.

We are so fortunate to have volunteers to help when we need extra hands. Last month we took a shopping trip to Walmart and we couldn't have done this without these gals, Shelly and Morgan Ebersole. Morgan works for Hawley Senior Living as an HHA and her mother is a beautician. Thanks for all your help girls!

For over 31 years, Hawley's 2nd grade class has been making monthly visits to Hawley Senior Living. Residents and students bridge the gap by participating in a variety of activities together. The covid pandemic temporarily put a damper on our visits but last month they were able to resume. In April, the students interviewed residents and then took their information back to the classroom and wrote a report on their resident. In May the students returned with their writing projects and presented them. Here's to getting back to our regular monthly meetings in the fall!

Last month we made homemade pasta with a pasta machine. Most of us have made homemade pasta but we ordinarily roll it out and cut it with a knife. This was quite an adventure once we caught on to using the machine!

Hawley area BIO Girls were looking for a service project and set their sights on Hawley Senior Living! Thanks so much for picking weeds and planting flowers for us! Their mission is to improve the self-esteem in adolescent girls through empowerment of self and service to others. What a great group of girls!
