Bingo is quite popular with older adults and there happens to be some good benefits to the game. It provides valuable mental exercise, boosts fine motor skills, and creates a social life that prevents boredom and depression.

It also appears to be a lot of fun! Pictured are Dick Miller, Joyce Larson, Ruth Moen and Coleen Berneking

Get Out And Ride

Our Thursday “Mornin’ Ride” continues to be popular. Missy Stewart is our driver and tour guide. Sometimes they drive just to look at the progress of the farm fields. Occasionally they get to see a variety of animals such as deer meandering across the road and they’ve even encountered a herd of buffalo. Get out and ride!

Throughout the month, when residents win at group games such as bingo, they get their choice of winning a bingo chip that can be spent at our snack store or they can put their name in for a \$10 drawing held at the end of each month.

Last month's winner for “Chip or a Chance” drawing is Curt Anderson!

Another successful day on the lake at Big Detroit with the "Let's Go Fishing" crew. They caught some little sunfish and a lot of fresh air! Residents attending were Ruth Moen, Dick Miller, Gary Leach, Geneva Bennett, Larry Bratlien and Jackie Biewer.
